Hello Janice,

That is correct, we are adding to our current scope of authority. We currently operate in Dorchester, Charleston, & Berkeley county. The current population increase has afforded the opportunity to increase our service area. The counties we would like to add are, Beaufort, Horry, and Georgetown.

If granted this authority from your office, the counties we could operate in are Dorchester, Charleston, Berkeley, Horry, Beaufort, and Georgetown. The addition of these three particular counties has major potential to positively impact our daily operations based on current call volume.

Thank you for your attention to detail and correspondence.

Richard Johnson

Mr. Johnson,  
We have received your application to amend your current scope of authority. Before I create the notice, please let me know if you are only wanting to work in Beaufort, Georgetown, and Horry Counties or are you **adding** these 3 counties to the existing scope (Charleston, Berkeley, and Dorchester Counties). Please email me and Mr. Jeff Nelson at Office of Regulatory Staff and let me know the list of counties that you are wanting your certificate to read **after** it has been amended.

Thanks,
